Congratulations to all of the Year 7, 8 and 9 youngsters – it was a very cold day on a difficult course. We will use these results to make suggestions for entry into the national Mencap champs in Doncaster for those with learning difficulties. Similarly we will use these results to make suggestions for entry to the DSE National Junior Championships in Coventry on 7/8th July. Please enter your best pupils in the 800m on 3rd May – but the top 3 could also attempt 1500m or 3000m in the NATIONAL CHAMPIONSHIPS. The athletes highlighted in gold have been in the top 3 of this event in previous years- a great testament to the consistency of their performances. Please encourage entry into the Nationals and consider support for them at these events if possible – or ask us for advice.

**A HUGE THANK YOU TO THE TEAM AT MAPLEWELL HALL FOR THE USE OF THE SCHOOL AND
THEIR YOUNG LEADERS**
